[20]

QUESTION 6

Construct an essay on HIV/AIDS.

Use the following as a guideline:

- What does the term 'AIDS' stand for and briefly explain TWO reasons why people with AIDS are not treated with equal rights. (1+2) (3)

Define: acquired immunodeficiency syndrome

There is a stigma attached to the disease ✓

People do not know enough about how to become infected and are worried they will get it ✓

There is a high cost to treating the disease ✓

Employers are worried people with AIDS will be absent a lot ✓

- Describe FOUR ways that teens may land up contracting HIV/AIDS. (4X2) (8)

Getting drunk and then sleeping around

Walking through dodgy areas and being raped

Want experience the real feeling of sex so don't wear protection

Trying to please their partner so they have sex on demand often without protection

- Recommend THREE ways that your school could become a more welcoming and accepting environment for learners who are HIV positive, so that we treat them equally and with dignity. In your answer, also indicate how EACH recommendation can help grow our country's economy going forward. (3X3) (9)

World AIDS Day is a day where people are educated and informed about HIV/AIDS which will lead to less discrimination against people affected by / infected with the virus ✓ if more people are accepted they will be allowed to work thus growing our economy ✓

Because more people become aware of the virus on World AIDS Day ✓ people who are affected by or infected with the disease might receive more support, understanding and tolerance / change their attitude and behaviour towards them ✓receiving support will keep them healthier for longer so are more effective in the work place ✓

People who are infected with the virus might find out more accurate information on World AIDS Day ✓ and therefore be able to manage the illness better ✓ meaning less pressure on our health system financially ✓
