FUNZA LUSHAKA BURSARY PROGRAMME

for prospective teachers: 2018 Academic year

BACKGROUND INFORMATION

The Funza Lushaka Bursary Programme is a multi-year programme that promotes teaching in public schools. Full cost bursaries are available to enable eligible students to complete a full teaching qualification in an area of national priority. Recipients of these bursaries will be required to teach at a public school for the same number of years that they receive the bursary.

Qualified recipients of the bursary must request placement in a province of their choice. The provincial education department (PED) concerned will determine if there is a suitable post available, If there is not, the applicant may be placed in a PED that does not have suitable vacancies.

ADMISSION CRITERIA

The bursary is only awarded to South African Citizens, and applications will not be considered unless the applicant has attached a valid South African ID. Eligible students need to meet certain admission criteria of the institution and must also meet the National Selection Criteria for the Funza Lushaka Bursary.

SELECTION CRITERIA INCLUDE THE FOLLOWING

The applicant's academic ability. Eligibility for an approved degree or PGCE in two of the priority areas. Those who are interested in doing Foundation Phase should have passed Mathematics/Mathematics Literacy. Commitment to a teaching career, which includes: interest in working with young people; enthusiasm for a professional career in teaching; readiness to face and surmount difficult challenges; and personal integrity. Commitment to teach in any school to which a student may be appointed by a PED.

Everything else being equal, selection should favour candidates from peri-urban areas, candidates whose financial position would otherwise exclude them from enrolment for a teaching qualification. Prospective applicants should also note that there are a limited number of bursaries available, and that not everyone who applies will be successful.

PROGRAMMES TO BE FUNDED

Three different programmes that include at least two (2) priority area specialisation subjects as teaching subjects in your qualification can be funded. The following indicates the different qualifications that can be funded.

Undergraduate studies

Making education a societal priority

bursary holder will be required to re-apply by the end of October for the following year. Recipients of bursaries will be required to teach one year for each one year for every year for which they receive a bursary i.e. it is a service-linked bursary.

WHAT DOES THE BURSARY COVER

Funza Lushaka bursary covers all the recipient's essential expenses. Expenses covered include tuition, full accommodation including meals, books and learning materials, and a small allowance for monthly living expenses (subject to institutions allocation policy). An allowance for travelling costs may also be considered in exceptional circumstances. The allocation to any individual student is capped at a specific value. Where the HEI charges more than the capped value the bursars will have to top up from own funds. Universities have different cost structures, so the total value of a bursary differs from institution to institution.

CONDITIONS FOR REPEATING A YEAR

The bursary period may be extended to cover one additional year in a degree programme, or the time required for completion of one additional course in the PGCE programme. Only one such extension will be granted. Funding for an additional year of study (i.e. 5th year) is not automatic and will be considered on a case by case basis. In cases where support is provided for an additional year, the service obligation for the student is extended by a year.

Any additional time required will be at the recipient's own cost.

The bursary is renewable for one academic year at a time. On proof of academic success the bursary may be renewed each year until the recipient of the bursary has qualified as a teacher.

CONDITIONS FOR REPAYMENT OF THE BURSARY

The bursary must be repaid only if the recipient fails to qualify, fails to apply for a teaching post with a PED at a public school, fails to take up a teaching post with a PED at a public school, leaves a teaching post with a PED before the end of the contracted service period, or otherwise fails to meet the requirements of the bursary agreement (Contract).

Applications closes on the 31 July 2017, no late applications will be accepted. Communication will only be entered with the pre-selected candidates. Submit all completed applications with relevant documents to the following: GDE Office/ Districts (Boxes at designated areas will be available).
